

Valley

Incorporating soft rolling curves and bold geometric lines, Valley's low-lying appearance welcomes you with open arms. Valley's intricate frame is crafted with a combination of sustainably managed Australian hardwood with precision cut ply. Upholstered over the frame is a high resilience foam designed for support, topped with a slow release memory foam for superior comfort.

Valley comes in a range of configurations, the Jordan website will allow you to select your preference then further customise fabrics and finishes.
