

Flo

Flo represents versatility at its most prevalent and is our most flexible table range to date. With an elegant but complex undercarriage allowing for both hidden cable management as well as power and data running down the leg. Power and data can then be easily accessed through seamless panels attached with hidden magnets.

Flo comes in a range of sizes, the Jordan website will allow you to select your preference then further customise finishes.

Available Materials

Timber - Oak and Walnut

Features

Cable Management System

Specifications

Crafted

Australian made since 1987, our furniture takes shape at our Design + Manufacturing HQ in Melbourne.

Environmental

Our timber is sourced from sustainably managed forests and available with a selection of finishes.

Warranty

Made to last, our tables are covered by a 5 year structural warranty.
