

Mae

With a soft rounded form, Mae is inspired by the Australian gum nut found on native Eucalyptus trees. Each globe is hand blown in Melbourne using an opaque glass to create a soft glow. Mae is constructed from aluminium with a range of powdercoat options.

Mae comes in a range of configurations, the Jordan website will allow you to select your preference then further customise.

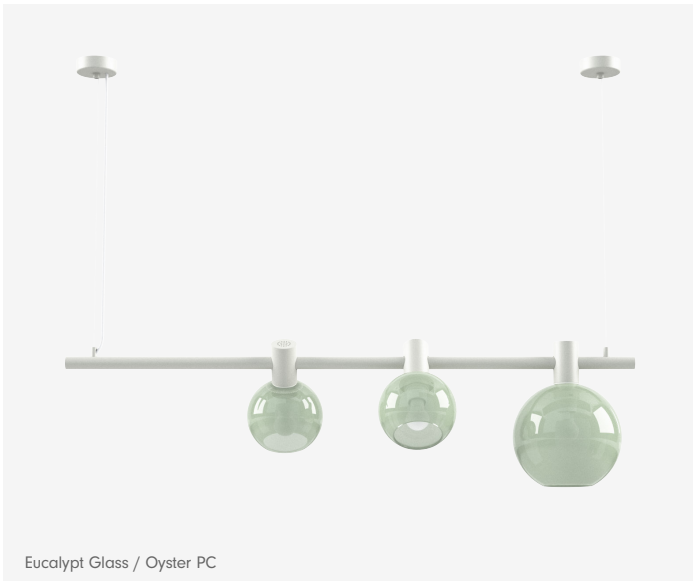

Finishes

Specifications

Crafted

Australian made since 1987, our lighting takes shape at our Design + Manufacturing HQ in Melbourne.

Warranty

Made to last, our lighting is covered by a 1 year structural warranty.

Certification

Fitting

Installation

Pendants must be wired, fitted and installed by a licensed electrician exclusively using the jardan components.

Suspension

The pendant drop is 250cm of cable provided which can be trimmed as required during installation.

Care

Cleaning

Wipe glass with dry micro-fibre cloth, ensure lamps are turned off when cleaning.
