

Nelly

Nelly is a versatile wall light available in a range of colours to suit any space. It's simple, playful form and gentle light output make it a staple for all interior projects. Constructed from slip-cast ceramic and finished in a glossy glaze to compliment the hand-blown opal glass sphere. A small shadow gap around the base elevates it from the wall to enhance its soft profile. Nelly is the perfect guest - unobtrusive but creating an inviting atmosphere.

Nelly comes in a range of configurations, please visit the Jardan website for more details.
