Nelly Assembly Instructions

3

Gently pull the G9 upwards out of the holder. Replace with similar LED G9 (max. 10W LED).

4

Screw glass globe gently clockwise to replace. Do not over-tighten.

JARDAN

This installation guide will help your electrician simply and safely install your Nelly Table Light. Jordan carries out a test assembly prior to delivery, but please ensure that all necessary components are present and use this handbook as a reference throughout the installation process.

WARNING

Nelly table light is a Type Y Cord attachment. If the external flexible cable or cord of this luminaire is damaged, it shall be exclusively replaced by the manufacturer or his service agent or a similar qualified person in order to avoid a hazard. If the cable is replaced the sticker must be re-applied to the replacement cable or a new one can be issued by Jordan upon request. To clean ensure power is off and use a dry microfibre cloth.

Warranty and Care

- Made to last, our lighting is covered by a 1 year structural warranty.
 - Wipe with a dry micro-fibre cloth only, ensuring light is turned off before proceeding.
