

## Clay

Our Clay chair is an exploration of curves, a three-dimensional sketch brought to life. Its minimal silhouette features a sweeping arc backrest that runs into a simple curved seat, while its armrests add comfort, strength, and elegance.

### Product Features

- Steel construction with weatherproof outdoor powder coating
- Stackable
- Available in all Jordan powdercoat colours
- Cushion constructed from reticulated foam suitable for outdoor environments
- Removable seat cushion with zips, available in a variety of fabric options and colours

Product Care

Warranty

Made to last, our outdoor armchairs and sofas are covered by a 1 year structural warranty. Please note - we do not warrant against environmental factors such as exposure to extreme weather conditions. We recommend our outdoor furniture is covered when not in use. Coastal environments and proximity to swimming pools may also negatively impact the longevity of the finishes.

Outdoor Care and Maintenance

Please read our Outdoor Care and Maintenance guide on how to clean and care for specific materials and ensure the longevity of your furniture. Read our Outdoor and Care Maintenance guide [here](#)
