

Odie Wall Light

Odie is a minimal wall light with a delicate and ethereal quality. Odie is hand blown from borosilicate glass using a special cold blowing technique. The rapid cooling of the glass creates a unique pattern in each piece giving a raw appearance accentuated by the visible mould seam. This natural appearance is juxtaposed with the brushed aluminium housing, giving the light an elegant purity. Odie has a fully dimmable warm white LED light source with a domed acrylic diffuser and is suitable for covered outdoor use (IP65).

Key Features

- Cold Blown Borosilicate Glass
- Soft Frosted Finish
- Warm White LED with opal acrylic diffuser
- Silver anodised aluminium body
- Dimmable with Phase-cut and DALI options

Wall Light

OD17

Measurements	Weight	1.4kg / 3.1lbs
	Dimension	165mm dia x 106mm H
Fitting	Type	Integrated LED
	Dimmable	Yes
	Wattage	9W
	Voltage	24VDC
	Temp	2700K
	Lumens (Bulb)	1500lm
	CRI	>90
	Avg Lifetime	35,0000H
Power	Driver	Phase-Cut (Standard), DALI (upon request)
	Input	230-240v 50Hz

Specifications

Crafted

Australian designed since 1987, our lighting takes shape at our Design + Manufacturing HQ in Melbourne.

Warranty

Made to last, our lighting is covered by a 1 year structural warranty.

Certification

Fitting

Installation

Wall Scones must be wired, fitted and installed by a licensed electrician exclusively using the Jordan components.

LED Driver

Supplied with an external LED driver. Driver must be installed remotely i.e. in wall/ceiling cavity.

LED

Odie is supplied with a LED board, colour 2700k warm white.

Care

Finish

Due to the unique handmade nature used in the manufacture of this product, variation in surface finish is to be expected.

Cleaning

Wipe with a dry micro-fibre cloth only, ensuring light is turned off at the plug.
