

Romy

Romy is a glass side table that plays with the harmony of light and shape in a fluid form. Inspired by the intriguing interplay of layered glass, its double wall design creates a sense of depth and subtly transforms its colour. The opaque top floats above the transparent base, creating a compelling composition. Made from handblown glass, Romy is available in smoke and mauve hues, with an optional coloured or stone top.

Product Features

- Hand-blown transparent glass base
- Top available with cut opaque glass or stone

Design and Manufacturing

Design thinking forms the core of Jordan’s philosophy. In our in-house design studio, we constantly foster the blend of forward-thinking innovative design and timeless expertise. Supported by a state-of-the-art manufacturing facility in Melbourne and a team of skilled craftsmen, Jordan crafts inspired and sustainable furniture.

Sustainability

At Jordan, our ethos centers around crafting durable, sustainable pieces meant to endure. We’ve been carbon neutral for over a decade, held an ISO 14001 certification since 2017, and obtained BCorp certification in 2023. Our ongoing commitment lies in implementing responsible efficiencies across our design and manufacturing processes.
