Soren

Soren's soft triangular base plays with asymmetry and cantilevered balance, creating a sculptural form shaped by light and negative space. Crafted from curved metal sheets, its seam details articulate the volume and fluidity of the design. It is offered in side, coffee, dining, and bar heights and available with spun steel, timber and veneer tops.

Product Features

- Steel with zinc coating and powdercoat finish
- Side/Coffee tables available with spun steel, timber or veneer top
- Dining/Bar tables available with solid timber or veneer top
- Power integration options

Design and Manufacturing

Design thinking forms the core of Jardan's philosophy. In our in-house design studio, we constantly foster the blend of forward-thinking innovative design and timeless expertise. Supported by a state-of-the-art manufacturing facility in Melbourne and a team of skilled craftsmen, Jardan crafts inspired and sustainable furniture.

Sustainability

At Jardan, our ethos centers around crafting durable, sustainable pieces meant to endure. We've been carbon neutral for over a decade, held an ISO 14001 certification since 2017, and obtained BCorp certification in 2023. Our ongoing commitment lies in implementing responsible efficiencies across our design and manufacturing processes.
