

## Tali

Tali is a modern interpretation on the classic armchair, defined by clean lines and a light, utilitarian frame. The seat appears to float within the structure, while gently curved arms create an open and welcoming silhouette. Available in a range of materials and fabrics, Tali balances refined form with relaxed comfort.

### Product Features

- Sustainably sourced plywood and hardwood frame construction
- CFC free multi-density high resilient foam seat and back cushioning
- Available in fabric or leather upholstery

### Design and Manufacturing

Design thinking forms the core of Jordan's philosophy. In our in-house design studio, we constantly foster the blend of forward-thinking innovative design and timeless expertise. Supported by a state-of-the-art manufacturing facility in Melbourne and a team of skilled craftsmen, Jordan crafts inspired and sustainable furniture.

### Sustainability

At Jordan, our ethos centers around crafting durable, sustainable pieces meant to endure. We've been carbon neutral for over a decade, held an ISO 14001 certification since 2017, and obtained BCorp certification in 2023. Our ongoing commitment lies in implementing responsible efficiencies across our design and manufacturing processes.
