

Standert®

Umlaufbahn Fact Sheet

The Umlaufbahn Ep.4 - Return of the Track Bike And it's not limited to racing anymore.

Why should a bike that's so much fun to race not also be the same fun to ride in the streets? With that in mind we stuck to the proven racing geometry of the Umlaufbahn but added internal brake cable routing and mounts for two bottle cages.

Your new commuter-fun-machine awaits.
Fixed gear or single speed - it's your choice.

Size Guide

Body Height (cm)		Inseam (cm)		Frame Size
150	163	76	82	48 PC™
158	170	77	83	50 PC™
166	177	78	84	52 PC™
170	180	80	86	54
175	185	82	88	56
182	192	84	90	58
188	198	85	91	60
regular fit	race fit	regular fit	race fit	

Take these numbers as a good reference. Fit is a very individual thing though. Every body is different and many parameters go into a perfect fit. If you already have a bike that fits you well, comparing geometries and specs will mostly yield a good result.

We're always happy to help! Especially when you're just starting out and are quite uncertain which way to go. Call us, or go to standert.de/pages/sizing-guide for in depth fit advice.
