## Sonoran Star Quilt – by Christina Cameli

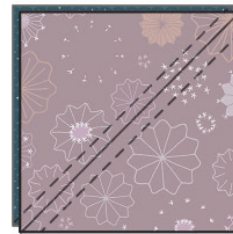

Please read all instructions before you begin. Seam allowance is 1/4" unless otherwise stated. Use a light sizing/starch on the squares before cutting triangles to help control stretching along the bias edges.

### Half Square Triangles (HSTs)

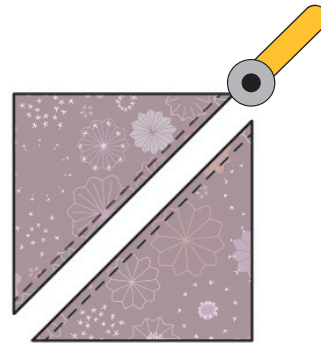

1. On the wrong side of each background 5" x 5" square, mark a diagonal corner-to-corner line with a temporary fabric marker. Then, on each side of the diagonal line, mark a stitching line 1/4" away from the original marked line.

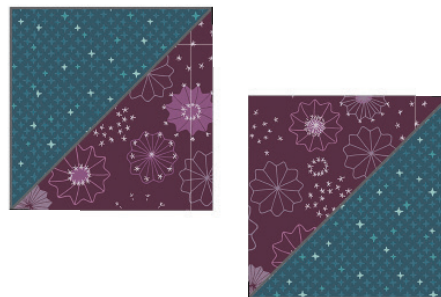

2. Match each marked 5" x 5" background square with one of the 5" x 5" colored squares. Align squares right sides together. Stitch along each marked stitching line.

3. Cut along the original diagonal line to create two half-square triangles.

4. Press toward the background and trim each half-square triangle to 4-1/2" x 4-1/2".

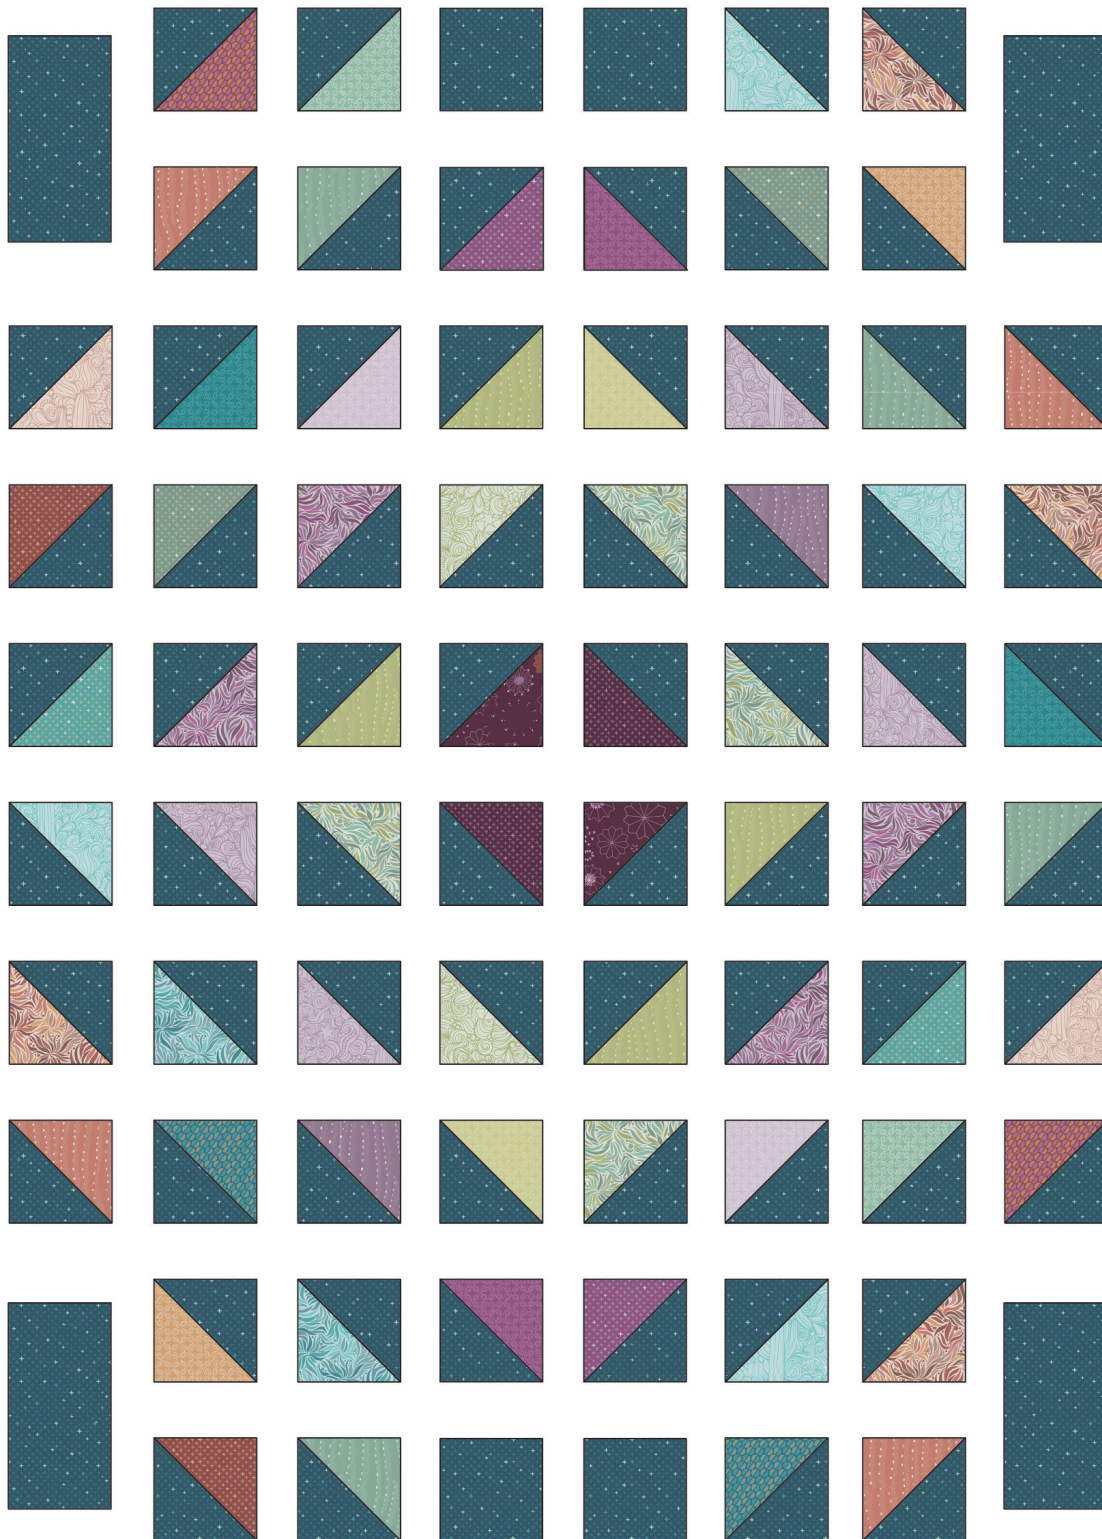

You will have 68 half-square triangles.

HST units  
4-1/2" x 4-1/2"

## Layout

Use the finished image of the quilt to guide you in laying out your pieces.

Arrange the maroon half square triangles in the center as a square.  
Around that, place a ring of light green half-square triangles as shown.

Then place a ring of pink/purple half-square triangles.

Then teal half-square triangles.

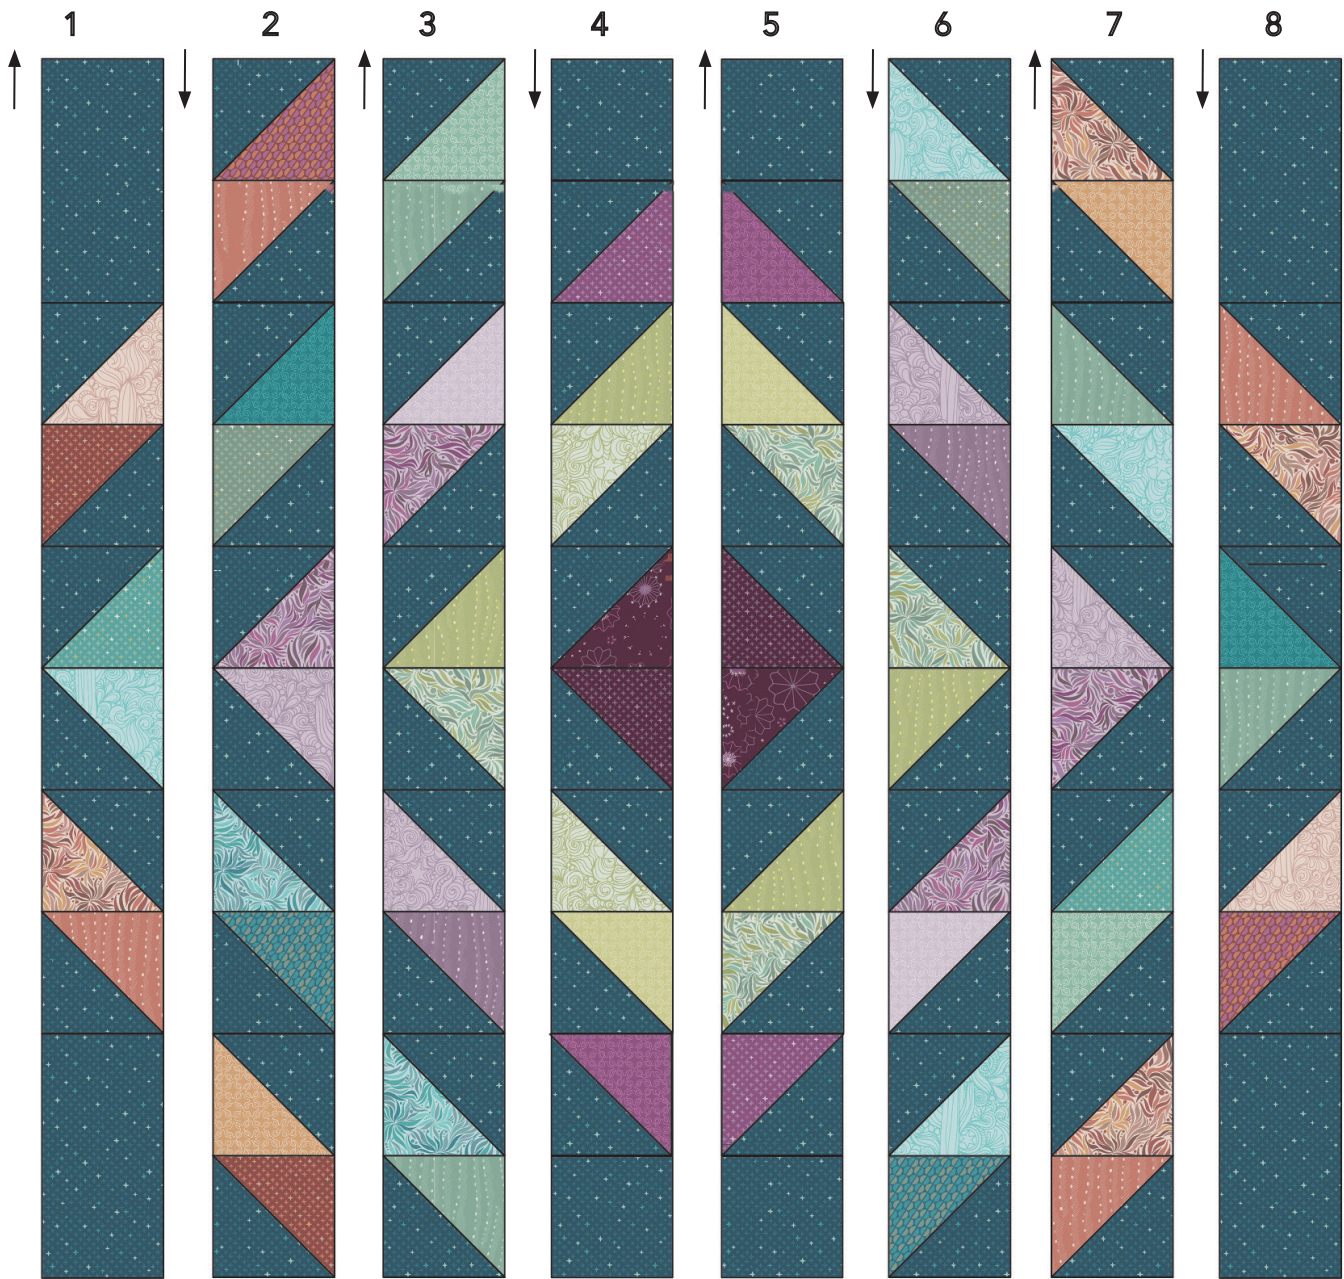

Then orange half-square triangles.

Place a 4-1/2" x 8-1/2" rectangle vertically in each corner.  
Place two 4-1/2" x 4-1/2" squares at the top of the quilt and  
two at the bottom to complete the rectangular layout.

### Quilt Top Assembly

Join units into vertical columns. Press odd numbered columns up and even numbered columns down.  
Join columns, Press.

### Finish the Quilt

Layer freshly pressed quilt, batting and backing.

Baste and quilt as desired.

Trim the batting and backing and finish the quilt using your preferred method.

Celebrate!
