DIY Wind Car

Suitable For 3+ Years

Let's
PLAY

What You Will Need:

- One 8x5" foam board with slit cut into centre
- Two 5" long milkshake straws
- Two 8' long cake pop sticks
- One 5x5" cardstock square
- One large craft stick
- Four wooden wheels
- Stickers
- Tape
- Play Dough

Step By Step Guide:

1. Decorate your foam board with stickers or however you wish
2. Using tape attach the straws to both ends of the foam board
3. Slide the cake pop sticks through the straws. Cake pop sticks come in a variety of sizes so you can cut them down to the size you need if need be
4. Slide the wooden wheels on to the cake pop sticks and cap it with the play dough to keep the wheels from falling off
5. Decorate the paper sail with stickers or however you want
6. Attach the sail to a craft stick with tape and insert the craft stick into the slit in the foam board
