Self Portrait

Suitable For 4+ Years

Let's
CREATE

What You Will Need:

- Printer
- Coloured Crayons, Pens, Pencils
- Scissors
- Tape or Glue
- Mirror

Step By Step Guide:

1. Start by printing out the self portrait template below - with a parent or guardian supervision!
2. You can either draw straight onto the template or carefully cut around the portrait
3. Place your mirror on the table or wherever you will be able to see yourself
4. Start to draw yourself onto the template to create your self portrait
5. Alternatively, you can draw yourself however you see yourself or however you want to be seen
6. The design and your self portrait is completely down to you
7. Extra: frame your portrait to keep forever and hang on the wall
