Water Bead Sensory Window Bag

Suitable For 2+ Years

123

What You Will Need:

- Dyed Water Beads
- Sandwich Bag
- Heavy Duty Tape
- Window Squeegee

Step By Step Guide:

1. Clean your window
2. Fill the sandwich bag with water beads
3. Press all the air out and seal
4. Place the first piece of tape along the top and tape to the window
5. The other four pieces of tape will be slightly tricky. Use a window squeegee to hold the water beads out of the way as you tape down the other four sides
6. Have so much fun!
