DIY - Make Your Own Kite

Suitable For 3+ Years

Let's
EXPLORE

What You Will Need:

- Printer
- Scissors - with an adult supervision!
- Paper Straws
- Glue
- Colouring Pencils or Crayons
- String

Step By Step Guide:

1. Begin by printing out the kite template below
2. Carefully cut around the template
3. Colour in your kite however you like, get creative!
4. Attach 1 straw with glue down the centre of the kite template
5. Attach your second straw across the second horizontal line
6. The straws should now hold the kite in place to make it sturdy
7. Attach a piece of string with glue to the bottom end of the kite. The length is down to your own preference

Most importantly have fun and tag us
@jaquesoflondon on Instagram so we can see your
kites flying in the wind!
