cut wisely  $27'' = \frac{3}{4}$  yard

15"	15"	7''	7''	
20"	20"	20"	20"	for bigger beds if needed
7"	60"			

The "math" for the side:

A A+B+A+B=perimeter A
then add about 6"

- 1. Build tubes for wall.
- 2. Sew tubes RST for walls
- 3. Attach walls to bed base RST
- 4. Attach bed bottom RST, leave opening
